TEIGNMOUTH
GOLF CLUB

WELCOME

TO ONE OF
DEVON'S
PREMIER
GOLF CLUBS

Teignmouth Golf Course was established in 1923 and has the distinction of being the only originally designed Alister Mackenzie course in South and West England and there are very few golf clubs throughout the length and breadth of the country which have as splendid a situation as Teignmouth Club in South Devon.

Set out on the high plateau of Little Haldon some 800 feet above sea level, the course is quite unique and from it the views are extensive and breathtaking. Here one can have the sea, fields, moors and hills all blended together to make a panorama which once seen is not easily forgotten.
